TERMS & CONDITIONS:

All pricing listed is "per piece" unless stated otherwise. All prices are F.O.B. our factory in Bronx, NY and will be shipped via UPS Ground, with shipping and handling charges added to your invoice. Shipments must be prepaid by check or credit card unless credit has been established prior to order placement. Minimum order is \$50.00/net. A \$15.00/net handling fee will be added to orders less than \$50.00. Any item not marked "IN STOCK" is considered custom made and is not returnable.

A 50% deposit is required for all first time orders, with balance due upon order shipment. All verbal orders must be confirmed in writing. We are not responsible for errors resulting from verbal orders. All custom orders must be received on a purchase order, accompanied by artwork and deposit, if applicable.

All products shall remain our property until your invoice has been paid in full, including freight charges. Any expense borne by us necessary to collect delinquent accounts (beyond thirty days), including reasonable legal fees and court costs, plus a service charge of 1.5% per month, shall be considered as part of the unpaid balance of your invoice. Dies, plates, screen, art, typesetting, computer files or any other service or material produced as an intermediate step in manufacturing your order will remain our property, whether or not it has been charged as a separate item or included in the cost of the product. Menu Solutions' materials and workmanship are the highest possible quality. However, the Company neither expresses nor implies warranty for any particular application or use. The actual performance rests solely with the buyer.

QUICK SHIP AND STOCK ITEMS:

Where indicated, "Quick Ship" items normally ship within 5 to 10 business days in quantities shown unless otherwise noted. "Stock Items" normally ship within 1 to 2 business days. You will be notified if we are out of stock on any item, or require additional time.

CATALOGS AND SAMPLES:

Catalogs and one or two random product samples are available at no charge; however, we do request your UPS or Fed-Ex account number or credit card for transportation charges. Samples are sent for quality and construction purposes. While we do our best to send the item closest to your request, samples are not always available of every cover in every size and in every color in which it can be made. Swatches of cover materials are available for color verification. Some product samples are billable and non-returnable. You will be notified of billable samples when we receive your request.

MATERIAL COLORS, ETC...

We do our best to come as close with color matches as possible in our catalog and online, however, actual material colors may vary from those shown. Please request a swatch for color verification.

CUSTOM PRODUCT SPECIFICATIONS:

Where indicated, cover prices include plate and application of a logo in up to a 45 square inch area. Where indicated and not included, additional plate/set-up/stamp charges will apply. One proof will be submitted for your approval at no charge. Any alterations to this proof will be charged at our cost. Plate/die/screen charges are good only for the life of the plate/die/screen. Please allow approximately four weeks from proof approval for production of custom personalized items.

RUSH ORDERS:

If you have an "opening date" please let us know and we will do our best to meet it. Rush orders will be subject to a surcharge. Shipping times, where stated, are approximate. Please speak to a customer service representative when requesting a specific date. We reserve the right to ship and bill 5% over or under the quantity of your custom order.

ARTWORK TIPS:

We require black and white, camera-ready line art with a minimum 300 dpi for covers being stamped and/or debossed or embossed. Artwork detail that is too close together and type that is too small will have a tendency to fill in and/or break up during the stamping process. Keep fine lines no thinner than 2 pt in thickness and type no smaller than 16 pt. Convert all fonts to outlines to avoid possible substitution. Low resolution or hard copy artwork is subject to an additional charge. We cannot work with Word based files. We require EPS, TIFF, JPEG or PDF files. If these types of files are not available, send what you have and you will be notified of any charges before proceeding.

RETURNS:

Stock items may be returned; freight prepaid both ways, for a refund or credit (minus a 20% restocking fee) within 15 days of receipt of merchandise. A Return Authorization Number (RA) is required for all authorized returns, may be issued by a Customer Service Representative, and must be clearly marked on all boxes. Returns without an RA number will be refused, as will those not received within 10 days of the RA being issued. Merchandise must be returned in new and unused condition. Custom and non-stock items are not returnable. If you have received damaged goods, call us immediately and retain all boxes.

Cancellations of custom orders must be received within three business days from order date and charges for any and all material, work, dies, plates, etc...will be due. We are not responsible for typographical errors or misprints on this site or in our catalog. Prices subject to change without notice.
